NGA Webinar
Best Practices for Mitigating Risk: A Case Study Approach

About the course:

NGA's newest webinar employs a case study approach to explore the implications and nuances of what claims counsel from Lloyd's of London has identified as the top ten best practices for mitigating risk in a professional fiduciary's practice.

The webinar course will be held

Wednesday, October 7 at 1:00 pm Eastern (noon Central, 11:00 Mountain, 10:00 Pacific)

About the presenter:

Lawrence D. Hilton, founder of Dominion Insurance Services, serves professionals in a wide range of disciplines. His prior law practice focused on professional liability defense and insurance coverage. He belongs to the California and Utah Bar Associations, holds insurance licenses in all 50 states, and is a Lloyd's of London coverholder.

Continuing Education Credits:

This webinar qualifies for 1.0 hour of continuing education from the Center for Guardianship Certification.

Note: Registration is for one entrant. Any other individuals who would like to join this session are required to complete their own registration forms. (The registration fee is set per person, not per connection.) This also applies to CEU credits. Only registered individuals will receive the CEU credit available with this webinar.
